BOARDING AGREEMENT *continued*

This is an agreement between Delaware Valley Golden Retriever Rescue, Inc. (DVGRR) and the named owner (on reverse side) for DVGRR to board and care for the above dog(s) for the period identified.

- DVGRR will perform a visual entry inspection on your dog(s) upon entry. It is NOT a veterinary examination.
- DVGRR agrees that it will use reasonable care for the health and safety of the dog(s) and that the dog(s):
 - Will be housed in clean indoor-enclosed kennels (which may include indoor/outdoor runs at DVGRR's option). Kennels are heated in winter and air-conditioned in summer.
 - Will be fed twice a day (morning and evening) and furnished with fresh water at least three times daily.
 - Will be given medications delivered by Owner in accordance with the instructions of Owner's vet.
 - Will be given opportunities for outdoor potty at MINIMUM of four times daily, and exercised at least twice daily (total of six times).
- DVGRR cannot provide veterinary care at our BARK Hospital for dogs being boarded at Golden Gateway.** If a dog boarded at Golden Gateway becomes ill, the dog will be taken to New Holland Veterinary Hospital or if required, Berks Animal Emergency Services in Shillington PA.
- The client shall provide DVGRR with a credit card number at time of boarding.** This form will be kept in a locked area with the DVGRR accountant and can be held for future reference regarding medical care or destroyed upon the completion of the boarding period. All new boarding appointments will require a current credit card.
- If the dog(s) become ill, we will attempt to contact you; however, if emergency attention is required, please tell us your wishes: **(INITIAL ONE)**

_____ Perform whatever services the Veterinarian deems necessary for the best care of my dog until someone can be reached. This includes only non-elective treatments and the necessary diagnostics.

I/we authorize up to _____\$150.00 _____\$250.00

_____ Other amount (specify) in medical care until someone can be reached.

_____ Do not administer any medical treatment until specific authorization is given by me/us

- If the state of the animal's health otherwise requires professional attention, and the owner(s) cannot be reached, DVGRR, in its sole discretion, may engage the services of a veterinarian of its choosing, or administer medicine or give other requisite attention to the animal. Owner agrees to pay

all veterinary costs for the pet during the time said pet is in the care of DVGRR.

- Owner agrees that dog(s) may be handled or cared for by DVGRR's Kennel Staff and/or volunteers. Owner releases DVGRR from any claims and agrees that as long as DVGRR establishes reasonable procedures for the care and handling of dogs in its kennel facility, DVGRR will have no liability for loss or damage (including injury, death or property damage) arising from disease, theft, fire, escape or other injury to the dog(s).
- At times, residing dogs may be carriers of kennel cough without showing symptoms. Owner acknowledges the risk of kennel cough while boarding their dog(s). DVGRR maintains a clean facility and isolates dogs with symptoms as best we can to contain the virus. DVGRR will make you aware if your dog has been exposed so that your vet can treat if necessary. (All adoptable dogs have received their bordatella shot, however this prevents only major strains of the virus).**
- Owner will indemnify DVGRR and its directors, staff, and volunteers for harm to persons, other dogs or property by Owner's dogs.
- By signing this Agreement, owner certifies to the accuracy of all information given about said pet.
- Owner understands that the boarding agreement is by donation to DVGRR. Donation may be made prior to or when dog is picked up. In the memo portion of your check, please write "General Donation".
- This Agreement contains the entire agreement between the parties. All terms and conditions of this Agreement shall be binding on the heirs, administrators, personal representatives and assigns of the Owner and the Kennel.
- It is understood by DVGRR and Owner that all provisions of the Agreement shall be binding upon both parties and their representatives and that this document contains the entire Agreement between the parties.
- Owner specifically represents to DVGRR that the pet has not been exposed to rabies, kennel cough or distemper within a thirty-day (30) period prior to boarding.
